The objectives of the association are to act as an intermediary between residents and other parties, to keep residents informed of matters of importance and recreation in and around the village, and to promote the interests of Bar Hill. Opinions expressed in this publication are not necessarily those of the Association. Anonymous letters will not be published, but names and addresses may be withheld. This is a private publication and may not be reproduced in any way without the prior permission of the Bar Hill Residents' Association Committee.

ADVERTISING

All matters relating to advertising should be addressed to the Advertising Coordinator bunty.waters@ntlworld.com. Quarter-page adverts cost £16.50 per month and must be submitted by the 1st of the month prior to inclusion. We cannot guarantee their inclusion, though, due to restrictions of space. Maxi ads (6cmx4½cm – 9cmx6cm) are £8.50 per month; Mini ads (6cmx2cm – 6cmx4cm) are £5 per month, and should be submitted by 15th of the month prior to their inclusion.

EDITORIAL

There is no charge for Articles, What's On, For Sale or Lost and Found. These appear at the Editor's discretion. Please submit items by 15th of the month. [Items offered For Sale will be advertised in two consecutive editions, so please let the Editor know if the item(s) sell after the first time.] All items can be submitted electronically on disk or to bhneditor@yahoo.com [a Word file is best, please] or hard copy via Parish Council Office.

Artsmark at Bar Hill Primary

Two of our teachers, Mrs Wright and Mrs Russell, organised many events across the school to celebrate our music and arts. This included a special steel pan drumming assembly followed by workshops for KS2 classes. Our KS1 classes enjoyed dance workshops which were followed by a dance assembly which reception enjoyed too. Also, every child in school has taken part in the creation of a new art mural which will be on display outside the office in the weeks ahead. It celebrates our school being 50 years old, the local landscape, our diverse community and the aspirations our children have for future careers.

Reporter Imogen Smith – Year 5

On Friday we had someone come in to tell us about a Steel Pan Drums and that they play different tunes. You have to hold the sticks loose because if you hold the sticks tightly then you don't get any sound come out. I really enjoyed the music.

— BAR HILL CRICKET CLUB —

The cricket and football clubs are holding a major fundraising event on Saturday 11th August, when there will be a race night at the social club. Entry is free, with proceeds from betting being split between the two clubs. The fun starts from 7.30pm.

It's been a busy period on the pitch with league and youth fixtures plus youth training sessions.

The adult team are unfortunately struggling in a higher division, but there have been some good individual performances, including almost forcing a first victory, against Milton seconds.

That match saw Peter Stockton make 39 and James Barclay 38, and James Neal taking 3 for 23 with the ball.

Other notable scores were Phil Orvis hitting 52 not out against Newton, and Sam Clare making 38 in an earlier match against Milton seconds.

The midweek league team did pick up their first win of the season, against Waterbeach, Scott Underhay top-scoring with 24 not out as Bar Hill won by 37 runs.

Ash Curry was top scorer with 25 not out in the defeat by Royal Society of Chemistry.

We've regularly had more than 20 youngsters at the village green on Wednesday nights for the training sessions led by our Youth Coach Dave Allsopp and the rapid improvement in the players' skills has been amazing to see.

The older players have already played several matches and are doing well against opponents who are often older and more experienced.

The training sessions will continue through August – at 6pm on Wednesdays – subject to demand. Check our website for details.

If you get an early delivery of the Bar Hill News, look out for the Fred Styles Memorial Match, which also features a parents versus youth match, on Sunday July 29th.

Anyone interested in playing for the club in any form of cricket, please contact me on the number below. For more information about the club, visit www.barhillcricket.org.uk

Sue Bell, Parish Clerk: 01954 780456

e-mail: clerk@barhillpc.org.uk

Please note that the office is normally open to residents between 10am and 12noon, Monday to Wednesday.

Our new website is open: www.barhillpc.org.uk

Village Litterpick is being arranged for September, provisionally Saturday 29th September. Further details will be published on the noticeboard, website and the next edition of the Bar Hill News

We are very pleased to welcome three new Councillors who attended their first meeting in July: Neeraja Anantha, Malcolm Ewles, Martin Vinnell. Our fourth vacancy will be filled by co-option at our July meeting. We also welcome a new member of staff to help in the office for a few hours on a Monday, Tuesday and Wednesday morning.

Contractors will be returning mid-July to assess and make recommendations to deal with the water on the Village Green that has been extremely slow to drain since heavy rainfall earlier in the year. Tree and shrub works for the whole village will be assessed, together with a survey, during August/September and an autumn programme of works drawn up for implementation over Autumn and Winter. Please could residents check the other side of their boundary fence to make sure it is clear of vegetation encroaching/overhanging footways. Where boundaries meet with Council open green spaces, please keep clear so that it doesn't impede mowing and strimming.

Dog fouling: please could dog owners ensure that they clear up after their pets, wherever it is.

Barking dogs day and night: — are a cause for concern for neighbours, please ensure your dog is not causing this nuisance.

Anyone feeding birds, please could you ensure the food is kept within the curtilage of your own property and in a manner so as not to encourage unwanted wildlife nuisance to neighbouring residents.

We have noticed that graffiti artists are still using our street furniture. We are monitoring this; as mentioned in our news column last month, any help anyone can give in identifying these people so that information can be passed to the Police would be much appreciated.

As usual the Council will be in recess during August for the holiday season. However, for anyone with urgent matters please email: clerk@barhillpc.org.uk; T: 01954 780456 (answerphone) or very urgent matters, contact the Chair, Bunty Waters, on 01954 201421.

Our normal opening hours are Monday to Wednesday 10am to 12 noon. The Environment and Amenities Committee next meets on 5th September 2018. Full Council will meet Thursday 20th September 2018. All meetings start at 7pm and are open to the public. Details are posted in the office windows.

Finally we wish everyone a very happy holiday season. We are arranging for the Connections Bus to come in on Wednesdays 4pm to 6pm at the Village Hall car park for youngsters.

Sun protection – Sunburn increases your risk of skin cancer. It doesn't just happen on holiday – you can burn in the UK, even when it's cloudy. There's no safe or healthy way to get a tan. Don't rely on sunscreen alone to protect you. Wear suitable clothing and spend time in the shade when the sun's at its hottest between 11am–3pm. Everyone who's exposed to UV light is at risk of getting sunburn, but some are more vulnerable than others. Snow, sand, concrete and water can reflect the sun's rays on to your skin, and the sun is more intense at high altitudes.

For further information visit www.nhs.uk/live-well/healthy-body/sunscreen-and-sun-safety/

Do you want to have your say? Our Patient Participation Group (PPG) will be meeting at Willingham Medical Practice on Thursday 20th Sept from 1.15–3.15pm. If you want to get involved with important issues concerning the practice, please feel free to join us. Contact the Practice Manager for further details.

Pharmacy at Willingham Surgery – can help with many of your travel essentials, so pop in for some free advice and get stocked up for the summer.

Carers Support Meetings – please note there will not be a carers meeting in August due to annual leave. Our next meetings at Willingham Surgery: Wednesdays 5th September and 3rd October. If you are a carer, please pop along and get some support from other people in the local community. Refreshments provided, no need to pre-book and completely FREE!

Cambridgeshire Hearing Clinics – at Willingham Surgery: 15th August, 19th September & 17th October. No appointment necessary, just pop along for your free NHS hearing aid batteries and for help and advice regarding hearing loss.

Missed appointments – in May there were 95 missed GP appointments in Willingham Surgery. This equates to 19.5 hours in consultation time lost. Please cancel your appointment if it is no longer required so we can offer it to someone else.

A&E is not an alternative to a GP appointment. If we are closed, please call 111, who will give advice and direct you to the most suitable local service.

Sharon Unwin, Practice Manager

— DISTRICT COUNCILLOR NOTES —

Parklife – I hope all of you who went to Parklife on 1st July at Milton County Park, enjoyed the free day out, it really was full of activities for children, and adults too, please let me know what you enjoyed!

Recycling – I picked up a couple of kitchen caddies at Parklife which I have here if anyone would like to have one, they are free, please give me a call. I can also collect a caddy from Cambourne which is free, you need a Bar Hill postcode, and some food waste bags which are three pounds for 50, very good value and very good bags.

Homeless Families – more than 200 families were prevented from becoming homeless last year, thanks to South Cambridgeshire District Council's housing team. Residents are being reminded that the sooner they ask the authority for help with housing-related issues, the more options the Council has to help people.

SCDC is part of a rent solutions service with other local Councils, which offers specialist assistance and advice to agents, landlords and tenants. This can include assistance with issues such as debt problems leading to rent arrears and property repairs and maintenance.

New legislation introduced in April this year places a legal duty on Councils to prevent homelessness. Housing bosses have added that, with a strong prevention ethos, South Cambridgeshire District Council is well geared-up for this new approach. For every household facing the prospect of homelessness, a personal housing plan is agreed which includes tasks for both the family and Council to carry out so people are given the best possible chance to keep a roof over their head.

South Cambs in the top three for Council Tax Collections out of 326 Councils! Our finance bosses have thanked residents, businesses and revenues staff after the authority secured another top table position in the Council Tax collection league. It collected 99.3% of the expected funds in the last 12 months – an almost identical figure to the previous year.

Overall, £107 million in Council Tax was due to be collected by the Council on behalf of itself, Cambridgeshire County Council, the Police and Crime Commissioner's office, Fire Authority and parish councils.

The data also shows that Business Rate collection in South Cambridgeshire was 99.4% – again, a very similar figure to last year.

Council Meeting – you are always welcome at Council meetings to see how your Council deals with business.

Please contact me on 01954 201421 or 07734 690580 or just email: bunty.waters@ntlworld.com, if I can help in any way, or collect a recycling caddy for you.

— BAR HILL CHILDMINDERS —

Bar Hill Childminders work as a close network of childcare professionals who offer a warm, friendly and loving home from home environment. We use the comfort of our homes as a base and can also offer your children the opportunities of day trips and range of outdoor experiences and take part in local community events and groups without being confined to one place.

We offer flexibility in the hours that we work to suit you and your child's needs with village rates, rather than having set session times.

Your child will receive focused and individual attention and care as we progress them through the EYFS curriculum. Child led play as well as structured and personally thought out activities will encourage them to grow and learn at their own pace taking in to account each child's individual needs.

Before/after school and holiday care for school aged children is available and leaves the stress out of your busy mornings and evenings.

We are Ofsted registered and inspected with 'Good' and 'Outstanding' inspection outcomes and are fully insured. We have access to childcare qualifications including level 3 in childcare. You can feel safe in the knowledge that we all hold Paediatric first aid certificate.

We welcome you to join us and have an informal chat at either of our friendly and inviting 'Little Bunnies' sessions on Tuesday and Thursday mornings from 9.45–11.15am in the Octagon, term time only – (£1.50 for one child under one, £2.50 for one child over one and £3 for 2 or more children). Here we offer a wide range of sensory experiences, activities, stories, singing and more... These sessions are not only for Childminders but also for any children aged 0–5 years and their parents/carers to attend – so come along and join us!

Government Funding for 3 and 4 year olds (15–30 hours per week) – 'Universal' and 'Extended'. Some of our Childminders are now registered to offer Government Funded places for children aged 3 & 4 years old (+ qualifying 2 year olds). The Funded hours each week can be shared between a Childminder and your child's Pre-school and/or Nursery. Huntingdonshire Local Group

Otters in Cambridgeshire

We invite you to the first of our indoor meetings on Wednesday 12th September 2018 at 7.30pm, at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB. Our topic will be delivered by Ruth Hawkesley. Otters are shy but appealing creatures, which have struggled in recent times to maintain their previous stronghold in our region. Ruth will explain the results from the 6th County Otter Survey that was carried out by the Wildlife Trusts and Cambridgeshire Mammal Group in the winters of 2016 and 2017 and the follow up site checks that have been undertaken this year.

A Tale of Trees, the Battle to Save Britain's Ancient Woodland

We invite you to this presentation on ancient woodlands on Wednesday 10th October 2018 at 7.30pm, at Brampton Memorial Hall, Thrapston Road, Brampton, PE28 4TB. Our speaker will be Derek Niemann, a renowned nature writer and Guardian country diarist, who will look at how the destruction of up to half of the county's mature trees happened 40 years ago and will explain what has been done in recent years to ameliorate their loss.

These should be fascinating and stimulating talks and anyone who is interested is most welcome to attend. Booking is not necessary. The entrance charge is £2.50 (accompanied children free). For more information on either of these, please contact

Tim on 01480 457795.

...interesting...

Due to the extremely warm weather in the summer of 2013, several nuclear power plants across the world, including ones in Japan, Israel and Scotland, were forced to close down because of a sudden increase in the population of Jellyfish. The mass amounts of Jellyfish clogged the filters that draw seawater into the power plants in order to cool down their reactors!

— VILLAGE HALL —

01954 782892

Bar Hill Preschool is open 9am–3pm Monday to Friday, term time for children aged 2–5 years. We offer sessions through the Early years funding scheme, funded two's and accept childcare vouchers.

Our ethos is to ensure high quality care by focussing on each child's ability and interests, providing fun and exciting activities that children learn and develop skills through play in a safe and inviting environment.

Our keyperson and buddy system ensures every child is well supported by qualified practitioners who have a wealth of experience. We work in partnership with parents and our online learning journal supports this by providing families with regular information on the child's development and next steps identified, parents can upload evidence from home too and add their own comments.

Our inside area provides views across the village green in a inviting and welcoming atmosphere. Children can access toys and equipment independently. Skills are developed through activities and routines eg children help to prepare snack with safety knives and learn about how to stay healthy. Lunch clubs are a social time and adults sit at tables with children while they eat own packed lunch, encouraging friendships and social skills.

The extended outdoor learning environment provides opportunities from growing fruit and vegetables for our snack bar to exploring the mud kitchen, large sand pit and our sensory garden.

We welcome visitors from the local community that support our curriculum further.

Interested? You can find out more information on our website www.barhillpreschool.co.uk or call us on 01954 782892 to book an informal visit or for an application form.

— COUNTY COUNCILLOR'S REPORT —

The first two paragraphs of last month's report caused two people to contact me and a few more to discuss on social media. Having re-read what I wrote for the Bar Hill News, I regret any lack of clarity. It was intended as a compliment to Bar Hill residents and reflected accurately on the number of those who had contacted me in the previous month about A14 issues. I am the first to acknowledge that people are fed up with the work and that you all have justifiable reasons for complaining. I have great respect for residents of Bar Hill as you contend on a daily basis with the trials and tribulations of a project that so many will benefit from whilst not having to suffer as you do. My report was certainly not intended to cause upset and I regret that this has been the case for some of those who read it.

Please do contact me direct with your concerns and questions about the A14 or any other issue. I really appreciate hearing your views. This month I have spent time with a very knowledgeable resident talking about how to run better bus services and will be feeding back to County Officers on some of his thoughts. Picking up on local concerns and having experienced myself the dust being generated by the A14 works, I have been working with Highways England and Environmental Health Officers to ensure that every possible precaution is being taken to control this particularly in the current extremely hot and dry weather.

I hope you will all be able to enjoy some time in the sun over the next few weeks. Please don't forget the sunscreen!

— ARTHUR RANK FETE —

436 visitors enjoyed all the fun of a traditional summer fete in Arthur Rank Hospice's grounds and gardens on Saturday 7th July, where £4,275 was raised!

The Hospice's Bistro hosted all kinds of stalls from a children's toy store to bric-a-brac, jewellery to homemade cards, puzzles to plants. There was an amazing array of prizes on offer in the Raffle and outside, the Hospice gardens' became a kid-friendly kingdom of face-painting and traditional village fete games many of which (along with equipment and prizes) were very kindly provided by Bidwells (Trumpington). Hot dogs and beef burgers were served up by the Hospice's catering team, thanks to a generous donation of BBQ-meats from Barker Bros Butchers (Great Shelford); and ice creams were available to purchase from Toni's Ices who kindly donated a percentage of their profits from the day.

Whilst the Team Arthur Challengers party took place in the Education & Conference Centre, kids enjoyed soft play in our physiotherapy gym; there was a flower arranging workshops; an appearance from Arthur Bear and beautiful music from Jazz Wave Jazz Band, Big Ron Tee and Arthur Rank Hospice's own choirs -Sister Shed & Sky Larks – floating out from the Day Therapy lounge.

Local community groups and organisations shared and helped publicise the event, with Martin & Co's advertising boards translating into £750 towards the total funds raised.

**Honest advice with a smile,

SAFETY GUIDELINES ON AIRGUN SHOOTING

As with any type of shooting, safety is a top priority, especially given the likelihood of other people being close by when you are in the garden. Airguns are relatively low-powered compared with other guns, which is one of the reasons they lend themselves to backyard practice, but they still have the potential to cause a life-wrecking accident. Unless you live in the middle of nowhere, you will have to consider your neighbours.

No matter whether your garden is in a remote and well-enclosed location or, behind a row of terraced houses and separated from neighbours by little more than flimsy fencing panels, you will be breaking the law if a single pellet strays beyond your boundary. You also need to make sure you don't cause a noise nuisance.

The best way to minimise conflict with neighbours is to tell them what you are doing before you start shooting, and outline the precautions you will be taking.

Ensure that shots are taken in the safest possible direction and avoid setting up anywhere that features an unlocked downrange access point.

Before you start shooting, make sure that everyone in your home knows that the garden is a no-go area until you have finished. Children and dogs need to be kept safely out of the way. Most airgun shooters use telescopic sights, which can have a blinding effect at what is potentially the most dangerous time, so it is vital to eliminate all risk of people or pets straying in front of the gun.

At no point should the gun be left unattended — even if it is unloaded and deemed to be safe.

Stopping pellets from travelling beyond the intended target is vital, otherwise you could be breaking the law. Don't ever use wood as a backstop. Its fibrous nature means it can cause dangerous and unpredictable ricochets, often sending pellets back in the direction of the shooter.

The best backstop to halt airgun pellets without risk of ricochet is a wall of brick, stone or concrete. On meeting with solid resistance, lead pellets are left with scant energy to bounce even a foot or two. This will keep spent pellets within the confines of your boundary, and keep you on the right side of the law. If you do not have a wall in the right place, large paving slabs can be used to create the same effect and can be easily moved around.

It is an offence to fire an air rifle pellet beyond the land where you have permission to shoot. Where someone under the age of 14 is shooting, both the young person and the supervising adult can be prosecuted.

It is also against the law, in England and Wales, to fire an air rifle within 50 feet of the centre of a highway if this results in someone being injured, interrupted or endangered.

These offences could be committed, for example, when someone is shooting in their garden close to a road and the pellets ricochet onto the highway or in your neighbour's garden.

NHS 70th Birthday — on 5th July this year the National Health Service celebrated its 70th birthday.

The NHS was launched on 5th July 1948 by Aneurin Bevan who was the Health Secretary at the time. The last 70 years have seen huge changes in medicine, from heart transplants and the eradication of diseases like polio to advances in the way we treat cancer, enabling people to live longer lives.

There's a whole range of celebrations being planned to celebrate the platinum anniversary of the NHS and a dedicated website, www.nhs70.nhs.uk has been set up where you can find out about how you can get involved.

Coping in hot weather — advice — heatwaves can be dangerous, especially for the very young or very old, or those with chronic disease. If you are worried about what to do, either for yourself or somebody you know who you think might be at risk, for advice go to NHS Choices at www.nhs.uk/summerhealth, or call **NHS 111**.

Stay out of the sun. Keep your home as cool as possible — shading windows and shutting them during the day may help. Open them when it is cooler at night. Keep drinking fluids. If there's anybody you know, for example an older person living on their own, who might be at special risk, make sure they know what to do.

— NEWSLETTER FROM HEIDI ALLEN MP —

As I write, the sun seems to have been shining for weeks and the England football team have made it to the World Cup semi-finals.

In my last newsletter, I explained the action I had been taking to respond to the appalling train service being provided by GTR trains. I have continued to keep the pressure on GTR and the Department for Transport – I have raised further questions in the House, including raising the issue at Prime Minister's Questions and just last week questioning the Rail Minister again about the chaos. My website – <https://www.heidisouthcambs.co.uk/gtr> – has a dedicated page on the GTR issues and continues to be updated regularly with new information.

Details of the compensation being offered to passengers are being announced. The compensation will be designed to refund season ticket holders up to one month where they have suffered severe disruption. This is what I called for in my question in the House in early June as soon the problems became apparent.

However as the chaos has continued for far longer than we could have anticipated, I have been asking for more than that. I believe it must also compensate non season ticket holders and factor in the consequential loss suffered by commuters, such as increased parking charges, taxi fares etc. Along with other MPs, I have written to GTR and I am also in touch with the Office of Road and Rail.

Last month, I was pleased to meet with local farmers and the National Farmers Union to talk through a number of issues. Agriculture is such a vital part of our local economy, so when Government launches the new Agriculture Bill shortly to shape farming outside of the EU – it must listen to the needs of our farmers. They play a critical role in producing our food, looking after the environment and supporting our rural economy.

I'm also working to find a way to amend the law to strengthen police powers to deal with hare coursing. This crime is abhorrent and devastating for those affected and the current legislation is out of date and no longer fit for purpose.

Looking ahead, I'll be meeting with Royal Papworth Hospital to discuss the future use of the site after they move to Addenbrooke's. I know this remains an important issue for people in the village and I'm keen to discuss all the options for the future use of the site with them. I'll provide an update on this in my next newsletter.

My next "drop in" surgery will be on Saturday 4th August (11am-1pm) at Steeple Morden Village Hall, 29 Hay Street, Steeple Morden SG8 0NQ where no appointment will be necessary. The next by-appointment surgery will be at Barrington (venue will be confirmed on my website) on the 7th September between 3-5pm. If you would like an appointment, please give my office a call on 01223 830037.

More details can be found here: <https://www.heidisouthcambs.co.uk/residents-drop-surgeries>
In the meantime, if you would like to contact me, please email heidi.allen.mp@parliament.uk or call my office.

— AUGUST BULLETIN —

CAMBRIDGESHIRE
FIRE AND RESCUE SERVICE

Cambridgeshire residents have been urged to stay fire safe when outdoors this summer.

With temperatures hitting significant highs, fires in open areas of land can easily spread and become out of control. Events north of the country, with significant moorland fires at Saddleworth Moor and Winter Hill, have shown

how these fires quickly spread and take hold of open areas of land.

Group Commander Kevin Napier, head of community fire safety at Cambridgeshire Fire and Rescue Service, said: "We want to help ensure that people enjoy the sunny weather while it's here safely. High temperatures and dry areas of land can be perfect conditions for a fire to spread. Something as simple as not stubbing a cigarette out properly, or using a disposable barbecue on grass, can start a fire that can develop quickly."

There are seven simple steps we urge residents to take to help prevent an outdoor fire:

1. Ensure cigarettes are completely out
2. Do not throw cigarettes out of car windows onto grass verges or vegetation
3. Put disposable barbecues on bricks, do not place directly on grass
4. Do not leave glass bottles lying on the ground, the sun's rays reflect through the glass and can start a fire
5. When camping, do not leave campfires unattended and make sure it is completely out before you leave it
6. Use barbecues on a hard, flat surface, away from grass, shrubs or fencing
7. Talk to your children about the dangers of starting a fire.

For the latest news, incidents and safety advice, or to contact us, log on to www.cambsfire.gov.uk. Sign up to email alerts and find us on Twitter, Instagram, YouTube and Facebook.
